Dear Mr. Zane,

The City of San Clemente offers this letter of support for San Clemente Proud's Veterans Day fundraiser inviting local businesses to donate a portion of their business proceeds to benefit the families of Marines impacted by the August 26 suicide bombing at the Kabul airport. The support aligns with the City's past support of veterans and local military, including Magnificent Bastards based out of Marine Corps Base Camp Pendleton.

Veterans Day is Thursday, November 11, 2021. Along with San Clemente Proud, the City invites local businesses to participate by donating a portion of business proceeds raised on Veterans Day. Individual donations are also accepted. The Heritage of San Clemente Foundation will collect donations and the San Clemente-based Marine Corps League South Coast Detachment 501(c)(4) will distribute funds to the families of the fallen.

We remain supportive of our local heroes and veterans, and thank you for your work to support the families of the injured and fallen.

Sincerely,

Kathy Ward
Mayor
